School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2021-22 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue Marconi Learning Academy expects to receive in the coming year from all sources.

The total revenue projected for Marconi Learning Academy is \$5,242,397, of which \$4,498,811 is Local Control Funding Formula (LCFF), \$623,448 is other state funds, \$0 is local funds, and \$120,138 is federal

funds. Of the \$4,498,811 in LCFF Funds, \$1,150,635 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Marconi Learning Academy plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Marconi Learning Academy plans to spend \$5,200,718 for the 2021-22 school year. Of that amount, \$5,182,758 is tied to actions/services in the LCAP and \$17,960 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Our independent study program implements a personalized learning experience for all students, including English learners, low income, Foster Youth, and Special Education students that is carefully designed to address their unique academic and socio-emotional needs. To serve our At-Promise and highly mobile population, expenditures are budgeted for, but not limited to, teacher and staff salaries and benefits, student interventions, curriculum development, professional development, materials, hardware and software. Not included in the LCAP are the following:

- * audit fees
- * legal expenses

Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Marconi Learning Academy is projecting it will receive \$1,150,635 based on the enrollment of foster youth, English learner, and low-income students. Marconi Learning Academy must describe how it intends to increase or improve services for high needs students in the LCAP. Marconi Learning Academy plans to spend \$1,150,635 towards meeting this requirement, as described in the LCAP.
