Describe how parents and family members are involved in the development of the Title I, Part A parent and family engagement policy (ESSA Section 1116[a][2]):

Research has shown that the attitudes, behavior, and achievement of children are enhanced when parents or other caregivers are involved in their children's education. To that end, MLA has adopted this parent and family engagement policy in order to promote learning and provide a more positive learning experience for the students. This policy is in alignment with the LEA's plan developed pursuant to federal law and submitted to the California Department of Education (CDE) with MLA's Consolidated Application.

MLA in collaboration with its Title 1 parents/guardians has developed a written Title I Parent and Family Engagement Policy. Input from parents/guardians and other stakeholders was solicited at a scheduled public meeting open to all interested stakeholders on November 17, 2021. In addition, parent/guardian input and feedback is solicited through group discussions and surveys as part of our process for continual improvement. Parents/guardians are also given opportunities throughout the school year to give their input on programs and policies and participate in annual meetings and workshops in order to make informed decisions about their child's education.

The MLA leadership team in collaboration with its Title 1 parents/guardians will be responsible for developing, revising, and approving the Parent and Family Engagement Policy annually, at minimum, to ensure that the policy meets the current needs of the parents/guardians and school.
